ORDER

-----X  
JESSE M. FURMAN, United States District Judge:

Plaintiff alleges that Defendant's website is not accessible to blind and visually impaired customers and, thus, violates Title III of the Americans with Disabilities Act ("ADA"), 42 U.S.C. § 12181 *et seq.* In the Court's experience, cases involving such claims almost always settle, often even before the initial pretrial conference. To that end, by separate Order to be entered today, **the Court is referring this case to the assigned Magistrate Judge for General Pretrial Purposes, including settlement. To be clear, the referral does *not* encompass any dispositive motions, which will be handled by the undersigned in the normal course.**

SO ORDERED.
